

# UU AI SOCIETY

## Partnership Tiers

UPPSALA UNIVERSITY

---

A partnership with UU AI Society gives your organization continuous visibility and access to our student community across the semester, rather than a single point of contact at one event.

Partnerships are offered at two levels. Both run for a full semester and can be renewed. Hosting an event with UUAIS is a separate arrangement, and partners are welcome to do both.

### 01 ALFA

## 20 000 SEK per semester

---

Our closest partnership level, for organizations that want to be visible to our community throughout the semester and take an active part in what we do. We keep the number of Alfa partners deliberately small so that each one stands out.

#### VISIBILITY

- Logo in top placement on the UUAIS website
- A dedicated announcement post on LinkedIn and Instagram when the partnership begins
- Named as a partner in our event write-ups

#### RECRUITING

- Job postings published on the UUAIS job board
- Job postings shared on LinkedIn and Instagram, up to four per semester
- Job postings sent directly to all UUAIS members
- Access to CVs and contact details from students who have actively consented

#### EVENTS

- A guaranteed jury or panel seat at at least one major event per semester
- Priority on dates when you want to host your own event with us
- The option to give a lightning talk or have a booth presence at our hackathons

#### COMMUNITY

- The option to sponsor UUAIS merch, with your logo featured on the items; production is arranged at cost
- Named in updates sent to our members

- 
- The right to use the title “Official Partner of UU AI Society” in your own marketing

**RELATIONSHIP**

- A dedicated contact in the UUAIS business team
- One check-in meeting per semester

**02 BETA****8 000 SEK per semester**

---

A lighter level for organizations that want a presence in our community and access to our members without the broader commitment of Alfa.

**VISIBILITY**

- Logo listed on the UUAIS website
- Named in a combined partner post on social media once per semester

**RECRUITING**

- Job postings published on the UUAIS job board
- Job postings sent directly to all UUAIS members

**EVENTS**

- The option to take part as a mentor at our hackathons

**RELATIONSHIP**

- A dedicated contact in the UUAIS business team
